

## SPRING / SUMMER PROGRAM 2018

Everyone is welcome, even you who are not a member. You do not have to be an "expert" to participate in our activities, just come if it seems fun and interesting for you. Changes and additions to the program will be announced definitively on our website and in local newspapers.

**In case of rough weather, check our website for any changes**

**Welcome to** <https://upplands-bro.naturskyddsforeningen.se/>

**Please contact us if you have any comments on our activities!**

Do you want to help us with any activity, big or small, please contact us!

### Annual general meeting 2018

**March 27th Tuesday**

Following the meeting procedures, municipal ecologist Johan Björklind Möllegård talks about what is going on in the municipality regarding nature conservation and outdoor life.

We offer all a cup of coffee. All members are warmly welcomed!

**Contact persons:** Lars Franzén, tel. 070-797 52 82 and Per-Ola Björn, tel. 070-323 67 09

**Start at 18:30**, Hembygdsgården Klint in Bro

### Birds / spring morning at Tibbleviken

**April 22nd Sunday**

Hiking at Tibbleviken. We hope to see many migratory birds, including hunting harrier and other birds of prey. Packed lunch, boots and clothes for all weather are recommended.

**Contact persons:** Michael Åkerberg, tel. 08-582 484 33, 073-067 31 28 and Lars Franzén, tel. 070-797 52 82. **Meeting point 09:00** at OK/Q8 in Kungsängen.

### Bird Tower contest, Broängarna

**5th of May Saturday**

Meet up at the Bird Tower at Broängarna to enjoy birdlife and participate in a competition between birdwatchers in Sweden, Finland and Denmark. Bring a bird's book, binoculars and coffee. We count all bird species we see and hear from the tower, between kl. 05:00 and 13:00 but it is ok to go to the tower at any time of the morning. We do not have any meeting point, so everyone gets themselves out to the tower. For those who do not know the way to the tower, call any of the contacts and we'll solve that. Everyone is welcome! We hope to be the best in the county!

**Contact persons:** Michael Åkerberg, tel. 08-582 484 33, 073-067 31 28 and

## Insects search

20 may Sunday

Under the direction of Pär Eriksson from Upplandsstiftelsen, we are looking for Upplands landscape insect "Cinnoberbagge" (*Cucujus cinnaberinus*) and other aspen-tree insects at Kalmarnäs, in our neighbouring municipality Håbo. If there is time, we will also go to Ådö-Lagnö to look for insects who likes linden. Clothes for all weather and packed lunch are required. This is an activity in the "Day of Biological Diversity" initiated by the UN and this year is attended by Naturskyddsföreningen.

**Contact persons** Linda Irebrand, tel. 070-331 66 16 or Per-Ola Björn, tel. 070-323 67 09

**Meeting point 9:45** at the parking lot at Bro C (part closest to Enköpingsvägen) for common transport.

## Opening of Lillsjön - Örnässjön Nature Reserve

2 June Saturday at. 11-14

The municipality opens the new nature reserve and we, from Naturskyddsföreningen participates with several fun and instructive family activities at Lillsjöbadet. Look out for more information from the municipality.

## The wildflowers day, Rankhus

June 17th Sunday

The purpose of the day is to familiarize yourself with the diversity of wild plants found in our vicinity. The Rankhus area is supposed to be exploited and we want to see what may exist in a part of the area before the plans are fully completed. The Swedish Botanical Association (SBF) is the initiator of "The Wildflowers Day", which has been organized every year since 2002 and SBF is a co-organizer for our excursion. Bring your packed lunch and, if you have, a flora.

Contact one of **contact persons**, Linda Irebrand tel. 070-331 66 16 or

Michael Åkerberg, tel. 08-582 484 33, 073-067 31 28 if you need help with transportation.

**Meeting point** 10:00 at the parking lot at Kungsängen (new) sports ground at Västra Rydsvägen, the part closest to the motorway / Rankhus. Participants walking from Kungsängen can wait for the rest of us at the tunnel under the highway towards Gröna dalen.

## Hiking on the Upplands-Bro trail

August 26th Sunday

We walk a part of the trail on Stäksön. The entire trail is 29 km and goes through a varied mälars landscape. Those who want to prepare can get a map / description at the municipality's library. Bring your packed lunch and suitable shoes / boots. Binoculars are good to have. **NOTE! Please report to one of the contact persons**, Linda Irebrand tel. 070-331 66 16 or Per-Ola Björn, tel. 070-323 67 09 so we can plan for common transport. We need to park cars at both start and destination so that everyone can get back and forth.

**Meeting point 10:00**, on site announced in the autumn / winter program and on the website in august.

## Nature photography course, how to handle the camera and learn to take better pictures. At the end of August or beginning of September, depending on the wishes of the participants

We arrange a course, divided on 2 occasions. We take us to a scenic place where there are plenty of photo motives, ranging from macro to landscape. The photo course is aimed at anyone who likes to photograph, especially nature. During the course we will learn the basics of (digital) photography, a lot of tips and tricks as well as much about the subject choices and composition. The course costs 100 kr per person and is paid in cash at the first opportunity.

**Application to:** Per-Ola Björn, tel. 070-323 67 09.

**Record the activities in your calendar!**

**Remember to check our website every now and then!**
